

Picture Report May 2022

Mrs. Camarica Sirri, a widow, benefited from the business starter project, the sum of 50000 FRS to boost her firewood business. She reported having already sold half of the wood supplied and is saving the money in a container in her house.

Angwantu Janet displaced person from Njikwa, has five kids with Manga Rolan from Tudig Mbengwi. He abandoned her and children in Buea where they were stranded. They were later assisted to get to Bamenda. The Parish Priest of Njimafor called the attention of CHAA. We have short listed her for business starter project for June 2022.

Miss Bah Allience displaced from Widikum will start learning decoration and sewing and dress making this June, thanks to the CHHA “learn a trade project”.

Bah Noella has worked hard in her plaiting trade as seen in the works she advertises. Her trainer is very impressed with the progress made in two months.

Noella at work on a customer.
